

AMERICAN ACADEMY OF ORAL AND MAXILLOFACIAL RADIOLOGY

PRESIDENT'S BRIEF COMMUNICATION

Dear AAOMR Members

Following careful considerations, we would like to announce that the 2021 Annual Sessions will now be held virtually.

With COVID-19 still causing concern across the country, the Executive Council voted yesterday to reschedule the in-person Annual Session as a virtual event. The format switch does require a change of the event dates.

Our new dates are Monday, December 13 - Wednesday, December 15. These three days will provide you more than 19 hours of continuing education.

The Executive Council also voted to reduce the registration fees by \$100 for all attendees.

Registration Type	On or before November 12	After November 12
AAOMR Members	\$599.00	\$699.00
AAOMR Member Residents/Students	\$299.00	\$399.00
Non-Members	\$999.00	\$1,099.00

Participants who have already registered will receive refunds of the price difference no later than January 31, 2022.

If you have already registered, but are not able to participate in the virtual program, you may receive a full refund if your written cancellation notice is received at ed@aaomr.org by September 3, 2021.

For those who have made hotel reservations, the hotel is canceling all of the reservations so you do not need to do anything.

To register for the virtual meeting, please visit the Annual Sessions Webpage.

With the new meeting dates, we are able to continue to accept abstracts for scientific posters until October 22. Please visit the Abstracts page for details.

We realize a change this close to the original dates of the meeting can be difficult, but it is our goal to have the safest and best meeting possible and avoid potential risks.

We look forward to seeing you at our second virtual Annual Session!

Until then, stay safe and healthy.

Dan C. Colosi, DDS, PhD
